

Dear Sir or Madam:

What sets **National Blue Ribbon School** Leffingwell Elementary and its PTA apart from the rest? For starters, our tough anti-bullying policy includes hosting assemblies that stress the dangers associated with alienating classmates. We empower young scientists by giving them the hands-on experience of interacting with live specimens. Our aspiring writers are thrilled to watch professional actors perform their works live on stage. Through the National PTA Reflections program, artists flex their creative talents in film production, visual arts, and music.

As a valued local business and community leader, we need your support to ensure that Leffingwell Elementary PTA's programs continues offering these precious programs that benefit our students and teachers.

Your participation as a sponsor or exhibitor, cash donation, or donation of goods/services will ensure that we can also provide field trips, transportation, school supplies, and other valuable services to our nearly 700 students. After all, we work tirelessly to help our children reach their full potential in whatever path they pursue.

Don't miss this rewarding opportunity to support your community and its children. Although we will follow up this request with a phone call or visit, please contact me in the interim if you have any questions or need further details.

Sincerely,

Joseph Dzidrums | President

Leffingwell Elementary PTA
